Staff News

We sadly say good bye and best wishes to Miss Kerri Hogan who has been working in the nursery since Christmas and Mrs Gelley who has been in the nursery and will be returning to our lunchtime team. We thank them for their time with us supporting children in the nursery.

Sports days

Thank you for your support for the sports days. The children thoroughly enjoyed them and were proud of their achievements. Thank you to the PTFA for the much appreciated medals.

Exmoor Building

There are some major repairs and improvements planned over the summer to the Exmoor building including new lighting, plumbing and fire alarm system. We are looking forward to the further improvements to our site.

Year 5 Rocket Project

Following on from the trip to the Heathcoat factory year 5 have been designing and building rockets. Amidst great excitement the rockets were launched on our playing field with a specially designed launch pad, made by the Heathcoat engineering team, by a large team from the factory. The winner will be announced this week; the designers of the rocket which went the furthest and the best looking rocket.

Year 6 Hoodwinked

These last few weeks of term have included many special events and this week Year 6 are performing Hoodwinked. A great well done to all the Year 6 children – you've been amazing!

Tiverton Library Challenge

A speaker from Tiverton library is in this week to speak to the children about the summer reading challenge. Do look out for the challenge which is an annual reading challenge over the summer holidays based through Tiverton library.

Library Books

We are delighted that the children are reading so much more but realise that many books have accidentally been left at home as our library is looking very empty! Please check for any school reading books and return this week please.

Music Evening

Many of us enjoyed a lovely music concert when the children played pieces they had been practising over the term. The musicians played brilliantly and it was great to hear them play their solos. If any children who will be in year 3,4,5 or 6 next year are interested in starting to learn to play an instrument forms were included in the report's envelope and need to be sent to the office.

Healthy Snacks

The government presently funds fruit and vegetable snacks for children in the nursery, Reception, years 1 and 2. In years 3,4,5 & 6 we sell snacks of cereal, breadsticks and toast for 20p. In order to promote the healthy snacks available for the younger children we have arranged a deal where fruit for years 3,4,5 & 6 can be purchased for 10p a day / 50p a week to try and support the healthy snacks the children have in the younger years. Please support us in promoting healthy snacks.

Non Uniform Day Friday 19th July

This is a non uniform day for ChildLine.

PTFA AGM

The PTFA AGM is on Monday 30th September at 7.00pm at school. All are welcome and we hope people will come to the meeting to support the activities this group arrange over the year to support the children through social events such as the discos and fund raising events such as the Christmas Chocolate Tombola and Summer Fete.

Uniform for the autumn

Please remember when buying shoes for the new school year that they should be black. Children need PE kit in school everyday; a white T-shirt, black shorts and trainers or plimsolls. Whilst PE is timetabled there are sometimes changes.

Sweatshirts, cardigans and fleeces will be sold from Top Stitch online. We have samples in the office if you need to decide on which size to order.

Phone:

01884 259 050

Clubs

There will be no clubs the last week of this term and the first two weeks of the autumn term. A club timetable will be sent home in the first week of the new term.

Thank you for all the support you have given the school over the year and we look forward to a new school year in September.

Term starts for the children on Tuesday 3rd September. We look forward to seeing everyone then and wish Year 6 a smooth transition into Year 7 at their new schools.

CHILD SAFEGUARDING

We recognise our moral and statutory responsibility to safeguard and promote the welfare of all pupils. We endeavour to provide a safe and welcoming environment where children are respected and valued. We are alert to the signs of abuse and neglect and follow our procedures to ensure that children receive effective support, protection and justice. The Designated Safeguarding Lead (DSL) for Child Protection within school is Mr. Boraston
