Are you looking for looking for an rewarding experience?...

Helen (Chair), Donna (Treasurer) and Anna (Secretary) will all be leaving as Trustees of the PTFA at the end of this school year.

This means that 3 new volunteers are needed to keep the PTFA running. Please come and talk to one of us if you have any questions about joining the PTFA or being involved as a Trustee.

What would you gain by becoming a Trustee of the PTFA?

The PTFA needs similar skills to the world of work. You can gain experience and knowledge about health and safety, insurance, licenses and risk assessments, as well as developing organisational and interpersonal skills.

Use your skills

Whether you can make costumes for the Christmas play, bake cakes, manage money or come up with new fundraising ideas, your skills are valuable to the school. The PTFA gives you an opportunity to put your skills to good use and they will always be gratefully received.

Have fun

It really can be great fun helping with fundraising events. Whether it's having wet sponges thrown at you at the summer fete or calling the numbers at the bingo night, you will enjoy being part of this group of similar-minded people.
