## Newsletter 6

Wednesday 21<sup>st</sup> April 2021

Welcome back to the summer term and hopefully children have returned looking forward to the term.

### PE Kits

We will begin to use PE kits over this term so please can named PE kits be sent in a bag to go on cloakroom pegs. We realise it's a long time since we have used PE kits so please send one in as and when you are able to.

### Sun Cream

We are also hoping that the weather will be kind to us this term. As those sunny days start please send children in with sun cream on all ready and if you wish your child to apply further sun cream please send in a named bottle of sun cream. Sun hats will also be needed.

### Parents' Evenings

There is an opportunity to discuss your child's progress over the following two weeks. A letter will be sent out today for those with a child in Years 1 to 6 regarding making an appointment for those that wish to have a conversation with the teacher.

### Assessment

The government is not providing the usual end of year tests which they require us to carry out in Years 1, 2 and 6.

We will be carrying out our usual teacher assessments and will share these with you on end of year reports.

### **Summer term events / Coronavirus**

The guidelines for school risk assessments remain the same for now. So whilst we have some ideas in hand should there be some easing of restrictions in schools later in the term at the moment we are continuing with what we are doing, have increased the number of interventions we are carrying out as part of the catching up programme and hope to make greater use of the outdoors.

### **Red Nose Day**

Thank you for your support for Comic Relief.  
We raised £223.50.

### **CHILD SAFEGUARDING**

*We recognise our moral and statutory responsibility to safeguard and promote the welfare of all pupils. We endeavour to provide a safe and welcoming environment where children are respected and valued. We are alert to the signs of abuse and neglect and follow our procedures to ensure that children receive effective support, protection and justice. The Designated Safeguarding Lead (DSL) for Child Protection within school is Mr. Boraston.*
